When you join the AIPP you become a member of the only truly nationally recognised accredited photographic membership organisation in the country. You are making a statement about your professionalism, your commitment, your dedication and your skill and passion.

As an Accredited Member you will have been tested for your photographic expertise and skill and you will have demonstrated your on-going commitment to continuous improvement as a professional photographer.

AIPP Member

Accredited Membership is the pinnacle of AIPP membership.

If you are a photographer with two years industry experience or have completed two years full-time photographic study you are eligible to apply. To become an Accredited Professional Photographer (APP) you must pass our online portfolio assessment and take part in our Continuing Professional Development (CPD) Program. You must also agree to the AIPP business requirements, Membership Terms and Conditions and the AIPP Code of Ethics which are available on the AIPP website.

We have over 3000 members nationally, all of whom are willing to share their knowledge, their experience and most importantly, their time to help new members.

AIPP membership is the single best investment you can make to improve your photography skill and knowledge. Why not join us?
